Dear Sirs,

NIGERIA REINSURANCE CORPORATION IN PARTNERSHIP WITH REAL OPTIONS VALUATIONS INC OF USA AND HOCIHATT LTD

ANNOUNCE

THE ORGANISATION OF A WORLD-CLASS 4 DAY INTENSIVE INTERGRATED RISK ANALYSIS AND REAL OPTIONS EXECUTIVE COURSE AND CERTIFICATION IN RISK MANAGEMENT (CRM) DATE 24TH – 27TH APRIL, 2007 AT ABUJA

The challenge of consolidation sweeping through the financial sector demands that ***key Risks/Asset Managers in the financial sector*** must scientifically determine the contents of their ***risk portfolios*** and the best way of managing them for profitable returns on the investment of their stakeholders.

It is for this reason that ***Nigeria Reinsurance Corporation*** as a professional Risk Bearer in the financial sector has decided to partner with ***Real Options Valuations Inc. of USA*** and ***Hocihatt Ltd*** to provide you with a priceless knowledge and an indispensable tool in the management of your risk portfolio post consolidation.

It is an opportunity your organization cannot afford to miss having scaled the initial hurdle of consolidation process. Every participant who will successfully go through the requisite in-class work during this course will obtain a fully accredited ***CERTIFIED IN RISK MANAGEMENT (CRM)*** designation offered by the ***International Institute of Professional Education and Research (IIPER)***.

Course Curriculum: (see Brochure attached)

Trainers:

Real Options Valuations, Inc which is the chief facilitator, is the global preferred provider of ***CRM*** and have been granted the right to teach ***CRM certification courses*** and upon completion of a life test administered on the last day of the training, grant successful participants the ***CRM*** designation.

Real Options Valuation Inc. is one of the two or three organizations in the world with rights to grant this ***(CRM) designation by (IIPER)***. The other firms are located in Dubai, UAE and China.

Note: The course is very intensive and practical. Participants are free to come with their lab tops but all participants will be provided with a work station during the hands-on-training.

**** Proficiency in use of computer is not a prerequisite for participation, but it could be an added advantage.***

Nigeria Re believes that you will not miss this opportunity. Professor Jonathan Mun from USA and Victor S.F Wong the Chief Facilitator of this course will be pleased to part with their invaluable knowledge on Risk Analysis and you will come out a Certified Risk Manager (CRM).
